

# 5<sup>th</sup> International Conference on Materials Processing and Characterization

12<sup>th</sup> - 13<sup>th</sup> March, 2016 GRIET, Hyderabad, INDIA

This notice is for the foreign authors who wish to participate in **ICMPC-2016**. If you would like us to communicate your name to Ministry of External Affairs Govt. of India to help you to process your visa application, your full paper including registration fee (if the paper is accepted) should reach our office latest by **15<sup>th</sup> December-2015**. It is because processing the applications through offices takes time. If you are from the countries where visa is not a problem, you can follow the time schedule given on the conference website.
