

Dear Authors of 8th ICMPC, March 2018

Greetings. I would like to thank all of you for submitting your work to the conference (Materials Today: Proceedings). I am attaching a partial list of accepted papers. Our team is busy in reviewing the papers and on request formal acceptance letters can be issued only after 15 December. **This list will keep on updating till 15th Jan 2018.** Authors in the accepted list can go for registration. **The papers that are rejected after review, I request the authors not to communicate the same paper again. Also we are not encouraging the minor corrections at this stage. If author would like to correct the paper slightly, at the time of conference we will give opportunity to edit it in our systems. This is to prevent format getting changed. Author should thoroughly check the format of paper, resolution of all the Figs should not be less than 400 dpi and references should be strictly according to the format. I also encourage authors to give some references from previous proceedings of ICMPC and also from IJAMMC (www.ijammc-griet.com).** Kindly note that conference account is in Axis Bank and we have updated the account details on our website (<http://icmpc.com/registration.html>). **The papers appear in this list can directly go for registration.** Account details are:

Immediately after registration, you can communicate to our treasurer Mrs Tanya (icmpc.reg@griet.ac.in, 09642666556).

Also I have found that some authos are not informing all the authors on the article while communicating. Sometimes such authors are requesting to withdraw the paper when Elsevier starts feeing the database into their system. Kindly note that if you would like to withdraw your paper for what so ever is the reason, do it by 30 March 2018. After that no such request will be entertained. It's the responsibility of corresponding author to inform all the contributing authors.

This year our review team is little strict and there is high rejection rate. If you have communicated your paper and neither your paper appears in this list nor you got rejection mail, kindly send your paper again.
